Madame, Sir,

There is fresh news concerning your passion!
You will therefore be interested by what follows...

EVERY SUNDAY AT 7.30AM ON THE MEDIA MARKET CARPARK IN BRAINE L'ALLEUD

will be organized a « COLLECTIBLE MARKET » on the
theme « DRIVING, FLYING AND SAILING »!

You will have a unique opportunity to
expose, sell or buy anything that has to do with
automobiles, motorbikes, boats and planes, all over 25
years old... and this in a very convivial atmosphere.

Around this theme, collectors of every
kind are also most welcome.

To take part, nothing easier: book your
own spot right away by contacting us either via mail or by
calling.

You will find in annex all the information that you may
require.

Don't wait any longer! Keep this date in
mind, 4th of April 2010, we will be there sooner than you
think!

In the hope to meet you then and to
share with others a common passion, I address you my
warmest regards.
